LAULY TRIBUN OFFICE IN THE TRIBUNE BUILDINGS, 53 CLARK STREET, NEXT DOOR SOUTH OF THE POST OFFICE.

CHICAGO ILLINOIS, WEDNESDAY MORNING, JUNE 7, 1854.

The Daily Tribune. MISCELLANEOUS. GARPET HALL

From the National France Str. TWEN ENTREM.

I remember of haing hashled out of the hories in a great hurry.

I remember theing hald that I could spend the day at the horse of a fittle friend.

I remember of my brothers accoming there at a lightful, with the astounding sews that 'I had got a weaple of sigters.

My starel did at i open through itse streets like a hosemostive I stopping not until fairly compelled by Norte Bradles, who wiped the perspiration from my hot furthead, amonthed my bait, put on a clean bib sed ticker, and led me, in a frightful state of enfeming and trembling delight, to my mother's beddies, where he lay with the twins.

She untilled a pair of steaming blankets, and Largest in the World! BEECHER. HOLLISTER, & WILKINS, No. 135 & 137. CARD STREET, BOT UP STAIRS. THE She unrolled a pair of steaming blankets, and

CHICAGO, 4LL Saw—oh, my heart—my sisters.

I saw—oh, my heart—my sisters.

I had pleitured, on my fremind routs home, two perfect hithe dell hithe speciments of humanity, rose-lipped, fair skinned, ently haired, do.; but here was the remity!

Packersel and ho he squint-eyed, my sinking heart forcted me.

They were the first babies that I had ever seen; and as they stuck out their simall, red. Exclusively in the Trade. ACHCURTAIN GOS W. O. STRONG,

beart farefold me.

They were the first babies that I had aver seen; and as they stock out their small, red, damp first, and squared away at the cith the evolutional and squared away at the cith the evolutional and squared away at the cith the evolutional and south rebissent of all mertal less. I groaned in accopy of spirit, and field to my own or come to seep sixth my bitter disapointment in silicees and selitode.

None will ever know with what accret missivings I watched the growth of those "twine." Sometimes I familial they would give at "ine from ht, when and doubt my would give at "ine from the hought near those. I find not make my fease to any one, lest it should reach the ears of my mother, and pain her, on I greated and writhed withintenss agony, on secret slone.

I need to sit hours in the foot of the craile, my feet doubled under me, singing to them, and rocking with night and main, to get rid of the thought, which was a perfect tup—lear to me.

Yes they would be equit-cayed, I knew they would; and at the selfool girk would laught any little sisters. They had always succeed because I hadn't any, and now these were—wore than none.

Well, I sing on, rocked on, and old Father Time, he came, every day, and supported away a wranks from their projector, of a special tittle.

FIRE PROOF SAFE

"Octainly not," said sits soothingly; "babics all squiat when they are young. It is because they have no thinking cuntral syre their movement."

I did not stop to wonder of her explanator—
I as now happy for that.

With what alarming I now deagged my safe only them the control of them had sixters, or a sixter at least; but not contain the control of them had sixters, or a sixter at least; but not contain the control of the control of them had sixters, or a sixter at least; but not contain the control of the con

WASSLANTED BURGLAN & POWDING PRO-for SAFFA, VAULTS, DOORS, &c., &c., This Look is without doubt unsurpassed or unequalled ANY LOCK IN THE WORLD. still was?

I becought my father with tears to get a bar, bet earring, that I might dear them as the milinge—one at the lead—another at the foot.

O, what a proof sight it would be?

I got the earringe—by dint of parever, not—and I put the twins into it, arranging them to pleased; and I gave them their first ride out to God's aweet arr; and I called upon every by sut up at the limit to admire those bay face—fined—fin
